Hello and Happy Spring!

Spring Clean-Up will be held Tuesday, May 16th!

Some Friendly reminders from the City Council on the importance of adhering to city ordinances. City ordinances are in place to ensure the safety of all residents and to assist in maintaining a vibrant and welcoming community for all citizens. Please be aware of and comply with the following:

- *All property within city limits is to be mowed and trimmed in a timely fashion, including weed abatement.*
- *Abandoned and/or unlicensed vehicles and ALL other personal property cluttering up yards and alleyways is STRICTLY PROHIBITED.*
- *All pets MUST be kept on a leash and/or contained within owners' property and picked up after.*
- *Draining of sump pumps into the sewage system is PROHIBITED; all pumps must be drained outside of buildings.*
- *Houses are required to have a house number in place and be visible from the street – dimensions should be at least two and one-half inches high showing the number of the house per 9-1-1 dispatch specifications.*
- *All trash MUST be maintained in airtight containers protected against the access of flies, rodents, and other wildlife. Containers are to be kept inside the owner's structures except on days of refuse collection.*
